

RYAN BROWNING

Ryan Browning is an American artist living in Doha, Qatar. He has exhibited and curated in galleries and museums internationally. He recently co-curated and co-produced the book/exhibition project *Geo Necro*, which invited 88 international contemporary artists to submit an artwork depicting something they imagined could be found in a fantasy dungeon, which were then compiled into an adventure format playable with the classic fantasy game *Dungeons and Dragons*. His work has been written about on *Art F City*, *ARTnews*, and *Juxtapoz.com*. Ryan is represented by ADA Gallery, and is an Assistant Professor at Virginia Commonwealth University in Qatar.
